

Dear Potential Member:

Rutland Economic Development Corporation's mission is to encourage and enhance business success in Rutland County, and we are inviting you to join us to support job growth in our region by becoming a REDC member.

REDC has a new team that has made significant positive organizational changes. We have also helped existing businesses through a variety of ways. For example, REDC has provided financial support to several existing businesses and has a Business Visitation Program. REDC is working collaboratively with the Department of Economic Development, Department of Labor, and the Workforce Investment Board and other organizations to identify businesses' current and future needs and to bring in the appropriate resources.

FY 08 promises to be an exciting year for Rutland County. We are committed to our members, and we have two important messages to relay: 1) REDC is strongly committed to do whatever we can to help you continue to thrive, and 2) REDC embraces job growth! We are here to help you grow as well as to recruit new businesses to our area. REDC has many resources to offer from site location to financing. Economic development can be challenging in Rutland, and in Vermont. To help overcome this, REDC is taking proactive steps to maximize resources and partner with committed volunteers, staff, and organizations in the area to better serve the existing business community and potential newcomers to the region. Our doors are always open and we are here to help with your needs.

Membership is an imperative component for us in reaching our strategic goals and objectives. Please use the formula sheet to determine your investment and return the form and your payment to our office at 112 Quality Lane, Rutland, VT, 05701. If you have any questions please do not hesitate to call.

We look forward to a prosperous 2008 for Rutland County!

Sincerely,

JoAnn Graffam
Executive Director
